

# Hook Neighbourhood Plan

## The Plan is nearly complete!

...but there's still time for you to have your say

We're holding a "Regulation 14" consultation on the Plan, starting on **8<sup>th</sup> November**. You can download the Plan and supporting documents from [np.hook.gov.uk](http://np.hook.gov.uk) (paper copies available from the Parish Office), or come to one of the public sessions where you can talk to the Steering Group of Hook residents

**Saturday 17<sup>th</sup> November 2018**

**The Raven Hotel, Hook**

**10.00 to 16.00**

**Friday 23<sup>rd</sup> November 2018**

**Bartley, Hook Community Centre**

**Ravenscroft, Hook**

**14.00 to 19.00**

You'll be able to see the whole draft Plan including:

- The updated plans for the village centre
- How the gap between Hook and Newnham has been identified
- Which green spaces will be protected
- What new housing in Hook should look like...
- ...and where it will go

This will be the last chance to comment before the Plan goes to Hart District Council and then the Planning Inspector. You can give your comments to members of the Steering Group at one of the public sessions, or send written comments by **20<sup>th</sup> December 2018** to [neighbourhoodplan@hook.gov.uk](mailto:neighbourhoodplan@hook.gov.uk) or c/o the Parish Council Office, Ravenscroft RG27 9NN.
